

The 1st NanoLSI International Symposium

-Towards Establishment of New Research Field: Nanoprobe Life Science-

February
21_[Wed] · 22_[Thu], 2018

Miraikan - National Museum of Emerging Science and Innovation 7F

Program

February
21
Wed.

- 13:00- Opening Remarks
- 13:40- **Session1** Nanometrology
- 15:20- Coffee Break
- 15:40- **Session2** Computational Science
- 16:30- Coffee Break
- 16:50- Poster Presentation
- 18:30- Banquet

Symposium
Miraikan Hall

Poster Session
Conference Room Mercury,
Mars and Venus

Banquet
Conference Room Jupiter

February
22
Thu.

- 09:00- **Session3** Medical / Pharmaceutical Science
- 10:15- Coffee Break
- 10:35- **Session4** Supramolecular Chemistry
- 11:50- Closing Remarks

- Organized by Nano Life Science Institute, Kanazawa University
- Co-Organized by Cancer Research Institute, Institute for Frontier Science Initiative and Chozen Project, Kanazawa University
