

4th NanoLSI Symposium

- Bio-imaging, sensing and manipulation for medical science -

International Symposium on Tumor Biology
in Kanazawa2020

November 26-27, 2020

- Venue -
Online

Invited Speakers

Ann-Marie CHACKO Duke-NUS Medical School
Toshinori FUJIE Tokyo Institute of Technology
Takeshi IMAMURA Ehime University
Keehoon JUNG Seoul National University College of Medicine
Susumu KITAGAWA Kyoto University
Nobuo NODA Institute of Microbial Chemistry
Tomoki OGOSHI Kyoto University
Simon SCHEURING Weill Cornell Medicine
Victor SHAHIN University of Münster
Etsuo SUSAKI The University of Tokyo
Takanori TAKEBE Tokyo Medical and Dental University
Kenneth S. ZARET University of Pennsylvania

Organized by

Nano Life Science Institute of Kanazawa University
Cancer Research Institute of Kanazawa University

Co-Organized by

Institute for Frontier Science Initiative of Kanazawa University
Kanazawa Association of Tumor Biologists
