

The Joint Symposium of the 5th International Symposium of Institute Network and the International Symposium Commemorating Inauguration of Kanazawa University Cancer Research Institute

Molecular and Cellular Targets for Cancer, Infectious Diseases and Regeneration

2010, **June 24** [THU] Registration 12:00~ ▶ **25** [FRI] ~17:00

in **KKR Hotel Kanazawa** (Kanazawa, Ishikawa)

PROGRAM & SPEAKERS

24[THU] • Cancer Initiating Cells and Carcinogenesis

Masanobu Oshima (Cancer Research Institute, Kanazawa University)

Junya Toguchida (Institute for Frontier Medical Sciences, Kyoto University)

Eric Lechman (University Health Network, Toronto)

• Young Investigator Forum

• Poster Session

25[FRI] • Topics in Molecular and Cell Biology

Takayuki Miyazawa (Institute for Virus Research, Kyoto University)

Daisuke Kohda (Medical Institute of Bioregulation, Kyushu University)

Atsushi Kumanogoh (Research Institute for Microbial Diseases, Osaka University)

Shigeomi Shimizu (Medical Research Institute, Tokyo Medical and Dental University)

• Tumor Biology and Metastasis 1

Seong-Jin Kim (Lee Gil Ya Cancer and Diabetes Research Institute, Gachon University of Medicine and Science)

Hiroaki Miki (Institute for Protein Research, Osaka University)

Sandra S. McAllister (Brigham and Women's Hospital, Harvard Medical School)

• Tumor Biology and Metastasis 2

Albert Zlotnik (School of Medicine, University of California, Irvine)

Chikashi Ishioka (Institute of Development, Aging and Cancer, Tohoku University)

Motoharu Seiki (Institute of Medical Science, University of Tokyo)

HOST ■ Cancer Research Institute, Kanazawa University

Kakumamachi, Kanazawa, Ishikawa, 920-1192, Japan

TEL. 81-76-264-6700, URL. <http://www.kanazawa-u.ac.jp/~ganken/>

SPONSOR ■ Educational Program for Professional Oncologist (GAN-PRO)
