

The **9th**

Kanazawa University
Cancer Research Institute (KU-CRI)
– Fudan University
Shanghai Cancer Center (FUSCC)

Joint Symposium on Tumor Biology 2019

**3 September
2019**

Kanazawa University,
Kakuma-campus,
Natural Science and
Technology Library
AV Hall

Organizers

- Kanazawa University Cancer Research Institute
- Fudan University Shanghai Cancer Center
- Kanazawa Association of Tumor Biologists

Co-Organizers

Symposium Office

Kakuma-machi, Kanazawa, Japan
Kanazawa University
Cancer Research Institute
Tel : 076-264-6702 Fax: 076-234-4527
E-mail: y-kenkyo@adm.kanazawa-u.ac.jp

KANAZAWA
UNIVERSITY

13:00 - 13:10

Opening Remark

Atsushi HIRAO

Director, Kanazawa University
Cancer Research Institute

Session 1

13:10 - 13:35

Suling LIU

Cancer Institute, Fudan University Shanghai Cancer
Center; and Institutes of Biomedical Sciences
Fudan University

Regulation of Breast Cancer Stem Cells and Drug Resistance

13:35 - 14:00

Eishu HIRATA

Div. of Tumor Cell Biology and Bioimaging, Cancer
Research Institute, Kanazawa University

Epigenetic reprogramming induced by brain microenvironment determines the fate of brain metastatic cancer cells

14:00 - 14:25

Yingjun ZHAO

Dept. of Oncology, Fudan University Shanghai
Cancer Center; and Institutes of Biomedical
Sciences, Fudan University

Aberrant Splicing Events in Cancer Progression and Development

14:25 - 14:45

Break

Session 2

14:45 - 15:10

Dominic VOON

Div. of Genetics, Cancer Research Institute; and
Institute of Frontier Research Initiative,
Kanazawa University

Characterization of a novel epithelial IL23A complex

15:10 - 15:35

Zhenyu CAI

Cancer Institute, Fudan University Shanghai Cancer
Center; and National Center for Liver Cancer,
Naval Medical University

Necroptosis, From Molecular Mechanisms to Cancer and Drug Discovery

15:35 - 16:00

Chiaki TAKAHASHI

Div. of Oncology and Molecular Biology, Cancer
Research Institute, Kanazawa University

RB1 inactivation induces a protumoral microenvironment via enhanced cytokine and chemokine secretion

16:00 - 16:10

Closing Remark

Zhen CHEN

Vice President,
Fudan University Shanghai
Cancer Center

This Symposium will also be held as
the International Symposium on
Tumor Biology in Kanazawa
